## And we did it!

Hello! We are so excited to announce that "WE DID IT!" The Camden Life Center is open and ready to serve our community at our new location at 20 Main Street, Camden. The amazing turn out of volunteers to help pack, move and clean our old location and help begin the set up in the new office made us feel so loved. We look forward to showing off our new space to the community in the near future - keep your eyes open for details!

With our move, all of our current services will continue to operate as previously held and new programs and services will be coming soon. Though we have many new things in the works, we would love to hear from YOU as to what you would like to see available here in Camden.

To help us grow, the Camden Life Center has openings for both volunteers and employment opportunities. For additional information on the volunteer opportunities see page 3 of this newsletter. Several employment opportunities are available in the human services field for bachelors and masters level providers as well as for community nursing. Call 315-820-2638 for more information.

## Quote of the Month

"At the end, it's not about what you have or even what you've accomplished. It's about who you've lifted up, who you've made better. It's about what you've given back

Denzel Washington

**Why all this conversation about food resources?**

If you have ventured into a grocery store in recent weeks, you can't help but notice the increased cost of ALL the things. Additionally, Emergency SNAP will be ending at the end of February.

Since March 2020, Congress temporarily increased SNAP benefits because of the COVID-19 public health emergency. Supplemental EA SNAP benefits were issued to households in addition to their normal monthly SNAP benefit amount. As a result, households received more SNAP benefits each month than they would have normally been eligible for based on their income and expenses.

Congress passed the Consolidated Appropriations Act of 2023 in December 2022 that ended the supplemental EA benefits. February 2023 is the last month that supplemental EA benefits will be issued, and your SNAP benefits will return to the normal amount in March 2023.

You can check your household's SNAP benefit balance by visiting [www.connectebt.com](http://www.connectebt.com) or by calling 1-888-328-6399.

The Life Center offers many services to help you during this transition such as the food resources mentioned on the left and budgeting education and support through AmeriCorps. To learn more, call 315-820-2638.
