A collaborative endeavor to serve the Camden community providing the services you need, in one location

Hello!

It's the most wonderful time of the year! A season of gathering with loved ones and a time of reflection, connection and giving. It can also be one of the most stressful seasons with multiple events, financial strain and family conflict. If you find yourself in a place of struggle, please reach out. There is help available.

This month I will be traveling to Leesburg, VA for the culmination of the Reaching Rural Fellowship that I have been a part of over the last year. It was a privilege to be selected along with 68 other rural providers from across the country to participate in this learning opportunity. The Reaching Rural Initiative was created to help support and prompt rural service providers to think "boldly" and seek innovative approaches to addressing the many complex needs that happen in real life. I will be presenting my final project on creating a community cafe to the Reaching Rural mentors and federal funders and I'd love to share this vision with you when I return. Follow my travel on Facebook, Instagram or LinkedIn to learn more and watch for an opportunity in January to hear more and give feedback about what you would like to see happen in Camden.

Take a peek at the rest of this newsletter to learn about new programs and opportunities coming to our community including our Masterclass on goal setting and our 'Lego's and Cocoa' event. Can't wait to see you.

Lastly, I wish you a very merry Christmas.

Jessica Perusse

Spotlight of the month:

In December we celebrate the Month of Giving. Did you know that there is not a single month dedicated to acts of volunteerism or charitable giving? December provides an opportunity to celebrate those groups, individuals and organizations who invest their lives in charity or non-profit work. This is an important time to make a positive difference in your community by spreading joy and donations to local nonprofits or charities.

This month is an important time for people to recognize the needs of others and show their generosity, it inspires people to give back whether it is donating or volunteering their time. This month creates a platform to bring attention to many of the issues and causes these organizations are working to promote along with helping to get involved and make change within these organizations. Along with these, this month also helps ensure that everyone is working towards a common goal, that of which is to help those that are most vulnerable in our communities.

As a not for profit agency, the CLC relies on grants and donations to provide supports to our neighbors. Consider making a tax deductible year end donation to the CLC. Want to give of your time instead? Consider the ringing the bell for the Salvation Army here in Camden.

Did you know that 90% of the profits from the Salvation Army's bell ringing campaign in Camden stays in Camden? The proceeds from last season's bell ringing provided Thanksgiving food items to many families within the Camden School district through our local Camden Area Food Pantry. Bell ringers are needed this year! If you are able to help contact Judy Pfister at 315-264-0988. With that all being said, what are some ways you are going to give this month? Sydney Dean
