

A collaborative endeavor to serve the Camden community providing the services you need, in one location

As summer begins to wind down, I find myself grateful for the amazing sunshine we've been blessed with these past few months and am looking forward to the crisp air, vibrant colors, and cozy routines that fall brings. This season feels especially bittersweet for me as a mom—my youngest is heading off to his first year of college, and I'm reminded how quickly seasons of life change. Though I'll miss the busy mom-life, I am equally excited to see what this new season has in store and reconnecting to hobbies that have been paused while prioritizing mom-life. This is why I'm thankful for my Recovery Cafe Camden circle -I know that group has my back and will help lift me up when I need extra support. I invite you to check out one of our Recovery Circles (page 5) and lean into the strength that comes with connected community.

Here at the Camden Life Center, we're excited to step into this new season with a fresh lineup of programs, events, and resources designed to meet our community's needs. For parents, caregivers, and students, we've put together Back to School Success tips (page 3) to help start the year strong. We also have some fun and practical opportunities for kids and teens, including our upcoming Movie Night and the highly requested Babysitting Basics Training—find all the details on page 7.

September is both National Recovery Month and Suicide Awareness Month, and we are proud to offer free Mental Health First Aid Trainings (page 4) to equip our community with tools to recognize and respond to mental health challenges.

Be sure to check out when our partner agencies will be on site—our goal is to have a bit of “everything for real life” so there's truly something for everyone. And if you've ever thought about getting more involved, turn to page 8 for volunteer opportunities that make a difference.

One of my favorite quotes reminds me why this work matters so much: “I cannot do all the good the world needs. But the world needs all the good I can do.” Together, we can each bring our piece of “good” to this community and make it stronger, more connected, and more hopeful—one person at a time.

Here's to a vibrant, meaningful fall season for us all.

September: Back to School Success

As September arrives, families are settling back into the school routine, making it the perfect time to focus on setting students up for a season of learning, growth, and connection. A fresh school year brings a chance to celebrate new beginnings—not just for students, but for families and our community as a whole.

Here are a few simple tips for parents to help kick off the school year on the right foot:

- Establish Routines Early: Consistent sleep, homework, and screen time schedules help students feel more secure and focused.
- Create a Supportive Environment: Encourage open conversations about school, friendships, and mental well-being.
- Stay Involved: Communicate regularly with teachers and check in on your child's academic and emotional progress.

Remember, back-to-school success isn't just about grades—it's about helping youth feel confident, connected, and supported. As a community, we can work together to cheer on our students, celebrate their achievements, and be there when challenges arise. Let's make this school year a positive and empowering experience for every learner!

October: Empowering Voices, Creating Change

October marks Domestic Violence Awareness Month, a time to acknowledge the strength of survivors, raise awareness, and renew our commitment to creating safe, supportive communities. This year, our focus is on Empowering Voices, a theme that encourages individuals to find and use their voice to foster healthy, respectful relationships.

Empowering Voices is about more than speaking up, it's about self expression, assertive communication, and building the confidence to advocate for oneself and others. Whether it's setting boundaries, seeking help, or offering support, every voice matters in the fight against domestic violence.

We also recognize the vital role of community in empowering individuals. When we listen without judgment, believe survivors, and provide safe spaces for dialogue, we help others reclaim their power and begin to heal.

This October, we invite you to be part of the conversation. Raise awareness, learn the signs, and stand with those whose voices have too often gone unheard. Together, we can build a culture where everyone feels empowered, respected, and safe.

Food Fact of the Month

Iron is your body's oxygen delivery service, keeping your energy up and your brain sharp! You'll find it in foods like beef, chicken, turkey, pork, spinach, lentils, pumpkin seeds, and dark chocolate.

For a boost, pair iron-rich foods with vitamin C favorites like oranges, bell peppers, or strawberries to help your body absorb it better — think steak with roasted peppers or turkey with fresh citrus salad!

Quote of the Month

"This is, in a sense, my season—sometimes warm and, when the wind blows an alert, sometimes cold. But there is a clarity about September. On clear days, the sun seems brighter, the sky more blue, the white clouds take on marvelous shapes; the moon is a wonderful apparition, rising gold, cooling to silver; and the stars are so big." — Faith Baldwin
