Building Connection, Belonging & Hope in Our Community

Hello!

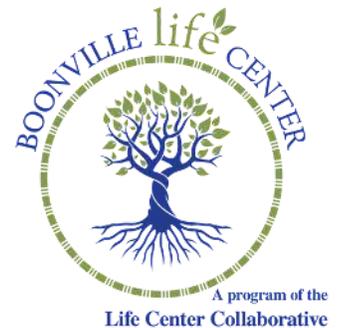

We'd like to take a moment to introduce ourselves - The Life Center Collaborative was created with a simple belief: rural communities are strongest when neighbors have places to connect, find support, and build hope together.

Through our work at the Camden Life Center, we've seen how bringing services, partnerships, and community together under one roof helps neighbors navigate challenges, reduce isolation, and find practical support close to home.

Now, we're excited to begin building those same opportunities in Boonville and the Adirondack Central School District community.

Our goal is to create a welcoming space where people can:

- Connect with local resources
- Access support and services
- Build community relationships
- Find help navigating life's challenges
- And feel like they belong

And we want this effort to grow with the community, not just for it.

 We're in Town Every Tuesday!

Our team is now in Boonville weekly as we begin building relationships and bringing services closer to home.

 Willow Network Office – 44 E Schuyler Street, Boonville
 Tuesdays from 10:00 AM – 2:00 PM

Stop by to say hello, ask questions, or learn more about what the Life Center is working toward in Boonville. We'd love to meet you!
