Building Connection, Belonging & Hope in Our Community

Hello from the Boonville Life Center!

As summer continues, so does the momentum at the Boonville Life Center. We are grateful for the many community members who have stopped in, shared ideas, asked questions, and helped us continue building meaningful connections throughout the Boonville community.

Each week, we are reminded that strong communities are built through collaboration, compassion, and neighbors supporting one another. Whether you're visiting during our Tuesday office hours, signing up for Food Sense, connecting with one of our community partners, or simply stopping by to say hello, every interaction helps strengthen the work we're building together.

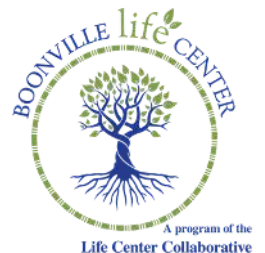

Looking ahead, we remain committed to expanding opportunities, increasing access to resources, and responding to the needs of our community. We are excited to continue developing new partnerships, welcoming volunteers, and creating a space where everyone feels connected, supported, and valued.

Thank you for being part of this journey. Together, we are building connection, belonging, and hope throughout the Boonville community.

June by the Numbers

Here's a snapshot of the impact we're making together in Boonville in the month of June:

-  11 requests for services and support
-  2 Food Sense orders completed
-  1 new volunteer welcomed
-  9 volunteer hours contributed
-  1 community member assisted with National Grid services

 We're in Town Every Tuesday!

Stop by the Boonville Life Center every Tuesday! Located at the Methodist Church (202 Main Street).

Whether you're looking for information, resources, or simply want to connect, we're here to answer questions and help connect you with the support you need.

Special Guest – August 11th

A National Grid Consumer Advocate will be on site Tuesday, August 11th to assist community members with billing questions, account concerns, and information about available assistance programs.

Supporting the Boonville Food Sense Program

We are excited to partner with the Boonville Food Sense Program and continue expanding access to affordable food resources in the community!
