

Borrow & Play Sports Shed FAQ

We've received some great questions about the new Borrow & Play Sports Shed! Here are a few things to know as we get this new resource up and running.

? What is the Borrow & Play Sports Shed?

Think of it like a library—but instead of checking out a book, you check out sports equipment, outdoor games, or recreational items. Families can borrow equipment, enjoy it at home, and return it so another family can use it next.

? How long can I borrow something?

Items can be borrowed for up to **7 days**. Once you return an item, you can check out something new!

? How do I get started?

Stop into the Camden Life Center. A staff member or volunteer will help you create an account, complete the liability waiver, and receive your Borrow & Play ID card.

? Is there a cost?

No! Borrow & Play is completely free for children and families.

? Can I donate or exchange used equipment?

The Sports Shed is **not a donation program or equipment swap**. The equipment in the shed was purchased specifically for lending through generous funding from **The Edwin J. Wadas Foundation, Inc.** We simply do not have the space or staff needed to receive, sort, store, and redistribute donated items. Please do not drop off donations at the Camden Life Center.

? Do you accept or lend sports clothing, shoes, or cleats?

No. Borrow & Play focuses on **equipment**, not clothing, uniforms, shoes, or cleats. We understand how quickly children can outgrow these items—sometimes growing two cleat sizes in a single season! Fortunately, our community has other resources that may be able to help, including **Leslie's Laundry, Cluster 13, our local AYSO, Little League and Pop Warner programs, and Modified, JV, and Varsity sports teams**. Please contact those organizations or teams directly to ask what they are currently accepting or have available.

? What kinds of equipment can I borrow?

We have equipment for every season, including bikes, baseball and soccer equipment, pickleball sets, yard games, sleds, skis, snowshoes, and much more.

Have another question? **Send us a message or stop into the Camden Life Center.** We're happy to help!

A special thank-you to **The Edwin J. Wadas Foundation, Inc.** for making the Borrow & Play Sports Shed possible!
